Excellence In Rotor Blade Repair

As a global leader, Bell Helicopter's Rotor Blade Centers have been providing customers with worldwide excellence in blade repair for more than 35 years. We offer full inspection and repair capabilities on all Bell Helicopter and Agusta Westland models, as well as the Sikorsky S-76.

Innovation

Bell Helicopter's Rotor Blade Centers continue to lead the industry in developing new blade repair techniques in cooperation with original equipment manufacturing engineering.

Global Support

Headquartered in the United States with repair centers in the United Arab Emirates and the United Kingdom, all facilities possess full Bell Helicopter repair capability and the ability to dispatch certified technicians to your facility to carry out repairs when possible.

Responsiveness

With readily available facilities, unsurpassed technical capability and rapid response rates, Bell Helicopter's Rotor Blade Centers are committed to repairing your blades as quickly, conveniently and economically as possible.

Warranty

Backed by a three-year 2,000 hour prorated warranty on every job, Bell Helicopter's Rotor Blade Centers reduce turn time and operating costs and ensure our customers receive the highest levels of quality and superior service.
