- > Routing Guide Help

By using your customers' routing guide, you will ensure that you are receiving the most efficient processing of your materials and invoices, as well as intact delivery. It is the design for improved service information that can help you improve your cycle time to market, maximize efficiency, and reduce overall supply chain costs.

## Find a Routing Guide

Please choose a routing guide...

Submit

Post your routing guide now!

... users and make instant changes as required.

For less than the costs now associated with printing, distributing, and monitoring receipt of your routing guide

Step 1 :  
[www.routingguides.com](http://www.routingguides.com)

Step 2 : Bottom left of the page, select "Find a routing guide"
